All our boats have bimini and/or shade tents

SOLARIA

MAGAZZU' M 11-SPIDER

"an elegant open RIB"

M-11 Spider has a sporting style and a luxury/elegant finish. It is the perfect "open RIB", making no compromises and offering maximum performances. A true boat to enjoy the sea "en plein air". It is identical to the "coupè" cabin version – from the seating area right up to the stern platform. It has a "walk-around" layout around the steering console where in the below deck you can find a shower room and toilette.

It is the best solution for an easy daily tour and trust that its comfort will beat any of its competitors.
