SUNSEEKER MANHATTAN 60

"Comfort and luxury onboard"

The prestige of the Manhattan Sunseeker series is almost a legend. With an Excellent craftsmanship, an unmatched quality of navigation, a stylish and elegant ambience, a crew that loves the attention to the details and an on-board a luxury comfort, will provide surely strong emotions to any person that will rent this spectacular yacht.

Manhattan 60 is an eye-catching boat and provides an unforgettable and breathtaking navigation experience.

Manhattan Sunseeker has a master cabin with a toilet and shower, a V.I.P. double cabin with a luxury restroom, a twin cabin with toilet and shower, a super comfortable dinette with LCD TV and a fully equipped dedicated kitchen with grill, sink, fridge and ice maker in the cockpit area. Manhattan 60 has a LCD TV in all the cabins, and an independent automatic climate control in all the areas.

It has an unbeatable HI-FY system, a hydro-jet tender, a mouthwatering fly-bridge, a submersible swim platform and outdoor showers. All this is called luxury!
